The above-identified application was forwarded to the undersigned by a letter dated November 3, 2003 in which the forwarding associate requested the office of the undersigned to take the necessary steps for filing the application on a priority basis. The latter letter included all necessary documents and the statement: "Applicant qualifies as small entity status."

3. On April 26, 2004 the same associate wrote the undersigned and stated that “we have learned from our clients that they do **not qualify as small entity.**”

In accordance with the foregoing, the undersigned is believed to have fully complied with the requirements of 37 CFR § 1.28 and pursuant thereto, the Office is requested to excuse the error of applicants in establishing small entity status.

It is believed that the check enclosed covers the fees required. However, if this belief is in error, please charge any additional government fees to the account of the undersigned, 50-1716.

In view of the foregoing, the granting of large entity status to the above-captioned application is respectfully requested.
